Translating Video Captions on YouTube

YouTube will translate video captions into the language that you choose. Follow the steps below to make this change.

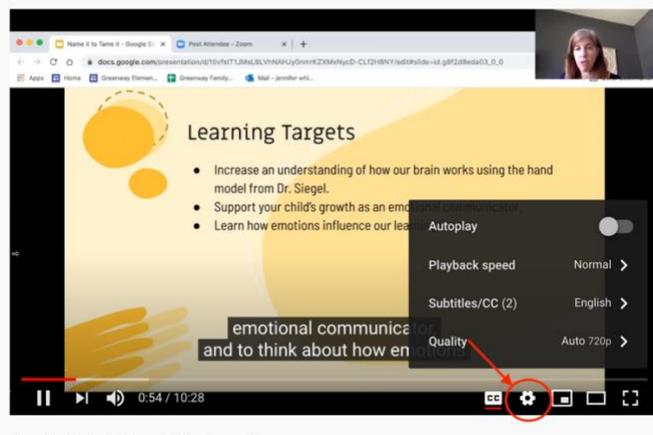

Step 1: Go to <https://www.youtube.com/BeavertonSchools>

Step 2: Click on the video you want to watch and pause it.

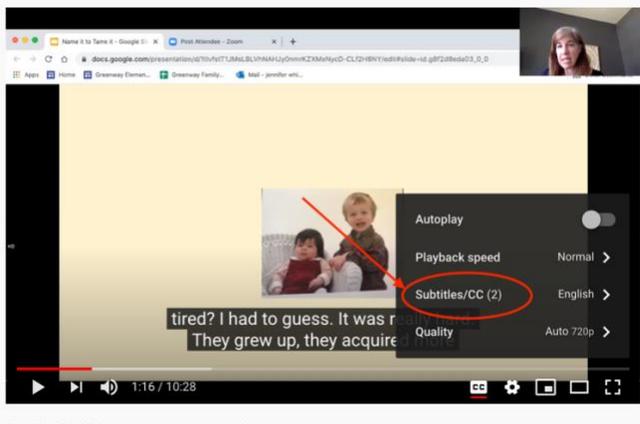

Step 3: Click on the “CC/Closed Caption” icon to turn on captions.

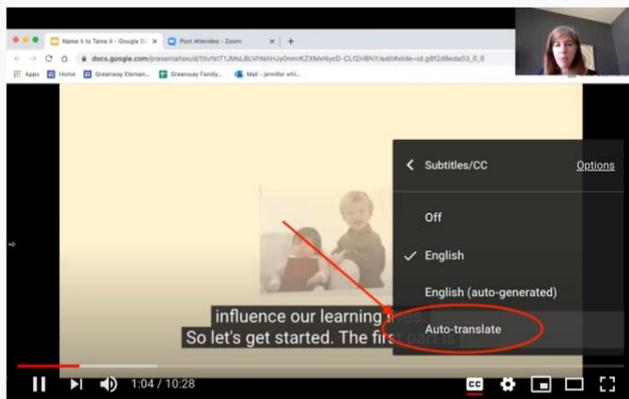

Step 4: Click on the gear icon to the right of the “CC/Closed Caption” icon.

Step 5: Click on “Subtitles/CC.”

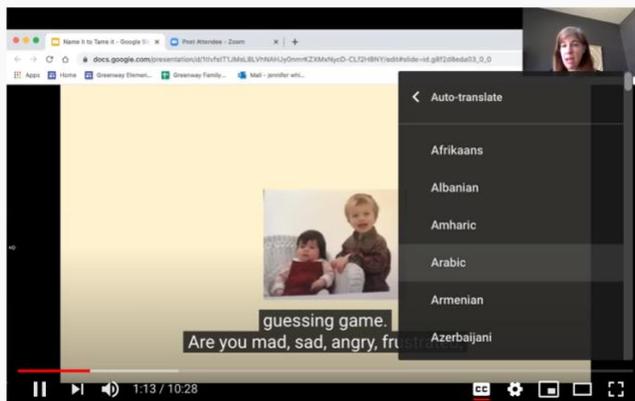

Step 6: Click on “Auto-Translate.”

Family Toolkit: Name it to tame it

Step 7: Choose your language.
